

Cougar Aquatic Team 2008 - 2009

Meet Entries and Session Assignments

Family Contact: _____ Write swimmers name if different
than family contact name _____

Phone Number: _____

The Cougar Aquatic Team:

1. Will enter each swimmer in the meets they qualify for unless notified in advance that the swimmer will not attend the meet.
2. Will be assigning timers in advance of each meet.
3. Will be requiring each family to volunteer their time working 3 (three) sessions between the 2 (two) meets hosted by the Cougar Aquatic Team.

The Cougar Aquatic Team has experienced significant growth which has necessitated some new procedures that need to be followed. **Please place your initials in the three boxes below indicating your acknowledgement of these new procedures and return with your registration.**

1. Each swimmer will be entered into the meets they qualify for unless their coach is notified in advance that the swimmer will not attend the meet. There will be no entry fees returned once the swimmer has been entered into that meet. Deadlines for notification will be posted on the Cougar Web Site. www.cougaraquatic.com
2. Each family will be assigned a timing assignment for the meets their swimmers are attending. A head timer will be assigned to each meet and will post the assignments on the web site. It will be your responsibility to find a replacement if you are not able to fulfill your obligation. Please notify the head timer in advance of any changes.
3. The Cougar Aquatic Team hosts two meets every year. These meets bring in funds that benefit the entire team. All families will be required to volunteer their time working any 3 (three) sessions of the 2 (two) hosted meets, even if their children do not swim in either of the meets. If for any reason a family cannot attend 1 (one) or all of the sessions they may relinquish their responsibility by paying \$100.00 per session missed. (Please understand that this is not an attempt to collect monies; these meets require so many volunteers to run smoothly that we do not want to have to beg our fellow parents to work, we would prefer the volunteers).

Sign up sheets will be made available on our web site. All positions will be filled on a first come first serve basis. Any positions remaining open will be filled by families who have not volunteered.

Positions available for the hosted meets will be as follows: timers, officials, marshalling, admissions, announcer, awards, hospitality, runners, kitchen and t - shirt sales.

Any questions please contact Suzanne Zurcher 973.259.0197
